Becca Rausch, Progressive Democrat, Kicks off State Senate Campaign
Public celebration marks official launch of already robust campaign

(Needham, MA) - This Sunday, February 11, The Committee to Elect Becca Rausch will host an ice cream social to celebrate the formal launch of Becca's Massachusetts State Senate campaign. The celebration is free and open to the public, and will take place from 3-5 PM at the Needham History Center and Museum at 1147 Central Avenue in Needham. Children are welcome, and there will be activities for them to enjoy. RSVP at <http://bit.ly/BeccaKickoff>.

Becca Rausch is a progressive Democrat running in the Norfolk, Bristol & Middlesex District, which includes Wayland, Sherborn, Millis, Norfolk, Wrentham, Plainville, North Attleborough, and parts of Needham, Wellesley, Natick, Franklin, and Attleboro. The seat has been held by a Republican, including former MA Senator Scott Brown and current MA Senator Richard Ross; Becca's campaign is already building the momentum to flip it.

Buoyed by a groundswell of community support, Becca Rausch has built a vigorous campaign team and a strong volunteer corps. She is eager to connect with voters throughout her District to learn about their priorities and concerns.

"I'm running for State Senate because I'm driven to improve people's lives," Becca says. "It's truly energizing to sit down and talk with voters, to strategize together about how to make government work for everyone."

As State Senator, Becca Rausch will prioritize progressive social policies that support families and strengthen our communities. Her platform includes broadening access to addiction treatment and advocating for innovative approaches to addressing the opioid epidemic; supporting efforts to create safe, healthy learning environments for all children; and improving public transit infrastructure and expanding services to provide better access to more riders.
